**1. Call to Order**

ICC Chair of Finance, Kerry Harris, called the meeting to order at 1:38pm

**2. Guest Speaker(s) (4)**

- Danny Acosta, Assistant Police Chief – (408) 864-8919, [acostadanny@fhda.edu](mailto:acostadanny@fhda.edu)  
Please make sure to store this number on your phone (408) 924-8000 in case of emergency. If you get locked out of the car we can help you to get in with several procedures. Any safety concerns come to my office located next to the exit of the Campus Center, first floor. Foothill De Anza College District Police Department is here to help you. We also provide escort services if you need to walk to your car/bus station at night after class. We provide education on run and hide to defend yourself. If you see any misleading speakers or activities, we will do our job to keep both sides safe.
- Leah Mieso, Communications Associate- (408) 864- 8948, [miesoleah@deanza.edu](mailto:miesoleah@deanza.edu)  
I run the website pages for the De Anza Twitter, Facebook, and Marketing. I take pictures of many events around the campus. If you have any club events and would like me to post it on the website calendar, please email me the date and location of the event. If you want to send me photos of your club at an event, please feel free to do so! If you have any info about events occurring on campus, you may share with me. I will also post club events on our events calendar on our website.
- Nina Van, Financial And Outreach Coordinator- (408) 864- 5431, [VanNina@deanza.edu](mailto:VanNina@deanza.edu)  
I am the Director of Financial Aid Office. We are here to help students to pay for college. Most of the students don't know about Financial Aid Services that are provided by De Anza. Some don't know if they are qualified to apply for Financial Aid. Please come to our office and we are always ready to help you.
- Sheila White-Daniels. Dean, Counseling & Student Success- (408) 864- 8945, [whitedanielssheila@deanza.edu](mailto:whitedanielssheila@deanza.edu)  
I am the Dean of Counseling & Student Success.  
We are introducing two new software to help out our students more. One is Edu-Net and Starfish. Starfish is where a faculty member can get track of student activities, making sure that the student is not on probation. If a student is getting really behind on their attendance, maybe the student needs Financial Aid or she need to talk with someone from Psych Services. Or maybe the student needs to talk to me, a Faculty Member. So, the Starfish lets the faculty connect to the student and know what the student needs and let the

faculty member to fulfil the needs for them. Please try out the Starfish and let us know your experience with it. We have been using Starfish for a year now and we need students' feedback to get better at it. Another software is called Edu-Net. It is the Education Navigation System. With Edu-Net, you can see your current Ed-Plan and it will navigate you to your education career. You go to Edu-Net, and tell that you are a Business Major and the Edu-Net will show you the charts, the salary and all the information concerning with your major. Also, it will give you a plot for your educational career.
